## Market Commentary

Market rose last week on expectations that the constitutional amendment bill on goods and services tax (GST) will be passed during the winter session of parliament. Trading was volatile during the week as the November 2015 contracts expired in the futures & options (F&O) segment on Thursday, 26 November 2015. The Sensex settled above the psychological 26,000 mark. The Sensex and the Nifty, both, settled at their highest level in three weeks. For the next week Nifty likely to trade in the range between 8050 – 8150 in the upper side and 7900 – 7800 in the lower side.
