The implementation of landmark tax reform GST will be closely watched. There will be a special function in the Central Hall of Parliament House tonight wherein a number of programs will be witness to the change in tax structure and implementation of GST across the country between the night of June 30 and July 1. The government expects GST to revolutionize India's taxing system and is being marketed as one nation one tax.

In the Europe, British Prime Minister Theresa May's Conservative party has fallen short of an outright majority in the UK's general election held on Thursday, 8 June 2017. US nonfarm payrolls increased 138,000 in May, missing the forecast, suggesting the labour market was losing momentum despite the unemployment rate falling to a 16-year low of 4.3%. Also, the number of jobs created in March and April was reduced by 66,000 from what was previouslyreported.
